CHILDREN

Children (16 years and Under) in their own rooms or sharing with a single adult are charged at 75% of the adult rate.

Children (12 years and under) occupying an extra bed and sharing a family room/suite with two adults will be charged a minimum daily charge which will be determined by the age of the children. Children aged 3 to 7 years will be charged a minimum daily charge of £32.00 and children aged 8 to 12 years will be charged £42.00 daily. These terms include breakfast and a children's supper.

Children aged two and under are accommodated free of charge.

Children's Supper Children's supper is served between 5.15pm and 6.00pm each evening in the Restaurant. This consists of a varied menu to suit all ages, including healthy options and 'daily specials'. Children are welcome to take dinner instead of children's supper (additional charge of £20.00 will apply for children not on dinner inclusive terms). Dinner is normally served from 7.30pm with last orders taken for 9.00pm but during the school holiday periods, the restaurant will open from 7.00pm to allow guests with younger children to dine together. Our full

dinner menu and a limited children's menu will be available from 7.00pm until 7.30pm on request. The additional charge for dinner will only apply during this period if your child should dine from the dinner menu but please also note that the children's menu will not be available in the restaurant after 7.30pm.

We request that parents insist on 'best behaviour' out of respect for other guests and regret that babies and children in highchairs are not permitted in the restaurant at dinner. We are able to offer a baby listening facility and a baby-sitting service can be arranged on request.

Facilities for Children When you bring younger children to the Thurlestone we will provide cots, suitable linen and a kettle in the room for your convenience. During the school Holidays, in addition to the games rooms and children's play areas, we also offer our Children's Dolphin Club. The Dolphin Club offers entertainment which may include Bug Hunting, Cocktail Making, Nail Art, Arts & Crafts activities, Sports competitions, Cake decorating and many more fun and games.
